Samsung LED Products - Promotion, Sales and Technical Support in Russia

Dear Ladies and Gentlemen,

Hereby we would like to confirm that we allow Trading House "NEON - Electronic Components" to promote and sell Samsung LED components that TH "NEON EC" is purchasing from us, as well as to provide technical support to their customers in Russian Federation, Belarus and Kazakhstan. This permission is valid until 31st December 2022 (if not revoked earlier) and can be prolonged.

Sincerely,

- Samsung Semiconductor Europe GmbH -

SAMSUNG ELECTRONICS CO. LTD.

David Barnby, Head of LED
